Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/98/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Erection of 75 No. dwellings with associated parking, public open space & the creation of a new vehicular access. This application affects the character & appearance of the Main Road/Church Road Conservation Area & affects the setting of listed buildings.

Thank you for your internet representation made on 8th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32011

Luken Beck have made a recent written submission claiming that local residents at a consultation zoom meeting held on 8 September did not raise any objections to the density of the proposed housing development and its impact on the Conservation Area. I would just like to place on record that this is UNTRUTHFUL AND INACCURATE. I did raise these issues in a statement I read out to the meeting, and they were implicit in the discussions that took place on other issues raised. To suggest otherwise is a misrepresentation of the meeting, similar to the applicant's misrepresentation of local residents' views in their Statement of Community Involvement. The number and nature of objections to this planning application demonstrates that a large number of residents are very concerned at the impact of this proposed development on the setting of statutorily listed buildings and on the character and appearance of the Conservation Area.

Your views as made above will be considered before the application is determined.

However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely
