Dear Tom,

Our Conservation Officer has now responded and objects to the discharge of conditions 4 and 5. Please see attached.

As we still have 4 weeks to run on these DOC's I am giving you an opportunity to make changes to resolve the concerns. Please ensure that any amended/additional information is with me by the 20th August so that I have time to reconsult the Conservation Officer as we will not allow an extension of time past the 6th September.

Kind Regards

Dear Simon,

Thank you for providing me with an update on the above DOCs.

Please see attached a revised external materials schedule for Condition 4 (external walls and roofs). The following amendments have been made to the material schedule:

- Replaced Forterra Oakthorpe Red Multi brick with Regent Red Multi brick
- Replaced Forterra Atherstone Red dressing brick with Staplefield Red dressing brick

For clarity, Photograph C (attached) now represents Regent Red Multi Stock and Photograph D (attached) now represents Staplefield Red Stock. Please let me know if you have any queries on this.

Kind regards,
