Dear Tom,

I am unsure about Martyn's availability and will let him know of your request in case he has the time however I am fully booked with application deadlines until w/c 30th August which is clearly not helpful to you. However, I would have thought that you could revisit the proposed materials/window & door construction elements for plots 1, 2-7, 19-21, 36-41 and propose to us details that better respect the nearby heritage assets - and then we can reassess. I am not clear on why this requires a meeting.

Kind Regards

Dear Simon, thank you for setting out the timescales for addressing the comments raised by the Conservation Officer. We would like to schedule a meeting with you, the Conservation Officer, MH Architects, and our client (cc'd) so that we can agree a way forward. Please could you and Martyn White both confirm your availability for the rest of this week and next week? A meeting this week would be preferred given the timescales referred to in your email below.

Kind regards,

Dear Tom,

Our Conservation Officer has now responded and objects to the discharge of conditions 4 and 5. Please see attached.

As we still have 4 weeks to run on these DOC's I am giving you an opportunity to make changes to resolve the concerns. Please ensure that any amended/additional information is with me by the 20th August so that I have time to reconsult the Conservation Officer as we will not allow an extension of time past the 6th September.

Kind Regards
