Dear Karl Roberts,

Thank you for the two letters received regarding the 'Committee Meeting' on 12th March 2014 regarding Y/99/13/ Site to the Land of North St. Mary's Church, IN OUR LOVELY YAPTUN 'VILLAGE'!)

I would love to speak at the Meeting (If I had the nerve too!) but I shall be at work, and will not be able to attend either I'm afraid.

Thank you very much for the offer.

I AM TOTALLY AND UTTERLY AGAINST ANY MORE BUILDING WORK IN YAPTUN, AT ALL WHAT SO EVER. ENOUGH IS ENOUGH! We cannot cope properly now.

We in our family have known Yaptun to be a wonderful Village since 1965!, and love it completely, but you cannot possibly change it any more! Especially surrounding the amazing Saxon Church! If plans went ahead, 'Oh, what a sight that would be and a terrible descision!'

Yours very sincerely,
