Dear Mr. Cronin,
re planning ref: **Y/99/13**
Re: planning ref Y/99/13

I own property in Yapton, and I object to the proposal to build on this area. Yapton is a pretty village, and to build right in the middle of the village, near the Church, will ruin it. Besides, Yapton does not have the facilities to cope with this influx of population.

Yours sincerely,
S. M. Lyons (Mrs.)
