Littlehampton
West Sussex
BN17 5LF*

Dear Mr Cronin,

OBJECTION to Planning Application Y/99/13

I am totally against this planning application.

It goes against several local policies including:

Current Arun District Council policy (20012 SHLAA and ADC Cabinet 2013) confirms that Site 71 must be treated as one comprehensive scheme, failing which appropriate infrastructure cannot be achieved.

Piecemeal development of the site, as is proposed here, goes against this policy and would result in inadequate infrastructure, employment and community facilities.

The Arun DC 2013 Sustainability assessment of the area found it to be unsustainable- especially critical in a largely agricultural area. This is Grade 1 fields!

The local small country lane which is the proposed access route is wholly inadequate to cope with so many extra cars, and there are no other infrastructure developments in the pipeline eg doctors etc to allow for another few thousand people in these 250 houses.

For a population of just 3,500 souls to expand the village by a further 250 houses will detrimentally change the essence and character of the village. This wholesale demolition of a quite country way of life must be stopped.

Yours in disgust,

Gayle Palmer

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts

Assistant Director Planning & Economic Regeneration
