Dear Mr Cronin

My wife and I wish to object most strongly to this application for a further 250 houses in Yapton on the following grounds

- We question the real need for this amount of additional housing
- especially for local people
- The infrastructure is already overloaded, roads, drains, schools, doctors surgeries
- The location is most insensitive so close to the ancient church and on prime agricultural land
- There has already been a large increase in the number of houses recently built or now under construction

We trust you will see fit to recommend refusal of this application

Yours sincerely

Michael and Judy Simmonds
