Dear Sir/madam

I feel I must write to inform you of how nervous I feel about more houses being built in the small area of Yapton There seems to be large housing estates being built in an around West Sussex, Bognor, Horsham and others, I wonder how the road network will cope its already overwhelmed and in summer its even busier with visitors to the area, I live in Yapton and my children attend the local school at Walberton and we feel the area could be overwhelmed it would be a shame to lose such valuable open green area.

I thank you for your consideration

Regards

Adam Sandieson
