Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

This proposal contravenes the
neighbourhood plan in that it
is in green field land outside the
village boundary. It fails to address
the problem of additional traffic
movement on already congested
small rural roads.

Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

Moved to the village 10 years ago. I chose the village as it is small and friendly. The people are lovely and it is such a good community, and all the very houses are built and look after very well and are being kept up and it has brought down the standard of our village and the school is bursting at the seams and children are suffering.
