Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

We already have congestion at the crossroads and the railway gates making it very difficult to come out of Maypole lane especially as its a blind exit. Flooding around the crossroads + the entrances to Ford & Maypole lanes is also a constant problem

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

I don't want them to build on
the fields where we walk our
dogs and play. It will be
awful if all those houses will
be built here. Then our
village will be an awful town.

Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

I moved to a village and want
to stay in one. The village is
full now with added classes in
the school, long waiting at doctors,
traffic is heavy already and
our lovely village won't be able to
cope with 250
dupful houses
built on beautiful
green fields

PEOPLE COME HERE

to walk the country side and see sea. They are looking for a reprieve to the concrete jungle of London, don't ruin what tourist trade we have. Local Houses for local people, we are not rich in Yapton, how many could afford a formidable house? NO MORE SECOND HOMES or Townsfolk migration here NO INFRASTRUCTURE

PART F. 14
PART G. 15
YAPTON IS ONE OF THE FEW 'REAL' not pretty' Villages left. We are a target because we are small and 'Old Yapton' has the smallest voice because of the number of residents, unfair bias. We need the land for food production Grade A. We are a quality fit to burst out of the EU would love us too Burnside Lake. WE FLOOD-LAKE LINE FORD LINE WEST HEND RD. Too much traffic for Run.
