

Dear Sirs

PLANNING APPLICATION Y/99/13

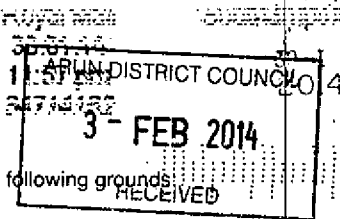

I wish to register my strong objection to the above proposal on the following grounds

if you build these propertys you
are just encouraging more migrations.
there is already an ethnic clash, and
our homeless are left homeless.
why risk turning Yapton into london,
I've been purged a number of times
having lived there before. your destroying
the peace and planet.

Yours faithfully

Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

I moved here from Surrey to get away from a built up area and all the crime that went with it. YAPTON is a lovely village (not many left in England). What about Job's - Schools - transport - ect are the builders going to deal with that too. Please STOP this build.

Yours faithfully

Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds:

- to allow this application will subvert the democratic planning process & good work done by Arun D.C. & Vapton Neighbourhood Group - it does not fit in with local plan.
- 20% increase in population having unsustainable impact on infrastructure.

Dear Sirs

PLANNING APPLICATION Y/99/13

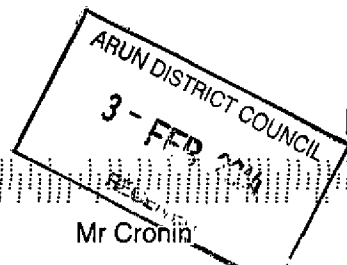

I wish to register my strong objection to the above proposal on the following grounds:

The local infrastructure & services cannot cope. The loss of open space will be detrimental to existing residents and the social housing is only needed by other large cities to move onto their homelands & other problem families.

Yours faithfully
