

Dear Sirs

PLANNING APPLICATION Y/99/13

I wish to register my strong objection to the above proposal on the following grounds

- ① The new houses put in recently for all the single mothers now in the Village from London and around, these children have to have schooling & jobs in the future.
- ② The school can't expand where?
- ③ The sewage can't cope already.
- ④ The old drains are not coping considering Yapton had a canal through the village & with rain fall increasing it's not coping.

Yours faithfully
