Hi Natalie,

Thanks. I will pass this to Legal. In the meantime, I am proposing shortening the current application description to:

Variation of conditions following Y/1/17/OUT to reword conditions 12, 14 & 16 as set out in the application covering letter in order to allow for the proposed access works to be implemented separately to the rest of the planning permission.

This is so that our standard site notice doesn't run to two sides. I assume you have no objections since all I have done is removed the new wording and instead refer the reader to the letter.

Hi Daun,

This is great news. Thank you for sorting this out and all your help so far.

In the meantime, I have now received the draft Heads of Terms for the Deed of Variation to the original S106 agreement. Please see the attached.

I have copied in Simon in case he has any queries, especially on the attached.

Kind regards, Natalie.
