Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/99/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Variation of conditions following Y/1/17/OUT to reword conditions 12, 14 & 16 as set out in the application covering letter in order to allow for the proposed access works to be implemented separately to the rest of the planning permission.

Thank you for your internet representation made on 15th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30451

1. I object to the planning application Y/99/20/PL because the conditions of the first application have not been discharged.
2. The conditions for the discharge of surface water has not been presented which means that there is no maintenance plan in place.
3. This application goes against planning policies and also the Flood Water Management Act 2010.
4. I ask that the application Y/99/20/PL goes to a committee as the current application Y/98/20/PL is still running with some very important "undischarged conditions" still remaining unresolved.
5. This application seeks to vary the existing planning conditions which will allow Seawards to build the new access road immediately and before all the pre-commencement drainage plans have been approved.
6. I am very concerned that heavy site traffic is already crossing the public footpath to access the site. Seawards clearly do not have a permit for this, or they would be displaying safety signage.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Yours sincerely

Neil Crowther
