Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: Y/99/20/PL
Site Address: Bonhams Field Main Road Yapton BN18 0DX
Description of works: Variation of conditions following Y/1/17/OUT to reword conditions 12, 14 & 16 as set out in the application covering letter in order to allow for the proposed access works to be implemented separately to the rest of the planning permission.

Thank you for your internet representation made on 17th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30489

I object to the application for the following reasons:

1. Conditions for the discharge of surface water have not been identified, implying there is no management plan in place
2. The application is contrary to the requirements of the Flood Water Management Act 2010
3. This application would allow the developers to build an access road to the site before meeting all its prerequisite conditions. Building such an access without permission for the full site would seem to be a pre-judgement of the outcome of the application, which is insulting to the Planning Committee and the public who are mainly against the plans.
4. I am concerned that the developers are Accessing Bonhams Field across a public Footway without the appropriate authorisations, and that the size of the plant being used could cause damage through vibration to the listed wall surrounding Bonhams House as it is passing within less than 2 meters of the wall

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
