Application Correspondence "Request for Parish to reconsider Objection"

From: Simon Davis
Sent: 01 December 2020 11:07
To: 'Yapton Parish Council Clerk' [REDACTED]
Subject: Parish Comments on Y/99/20/PL

Dear Andrew,

Yapton Parish Councils comments on this application were that:

"YPC has given full consideration to the above application and has deep concerns regarding any potential impact such works may have on flooding of the highway especially during the winter months. YPC also believe that this application must be dealt with as a whole, in line with its planning consent Y/1/17/OUT and other outstanding conditions and not fast tracked to accommodate unknown outcome of a currently undecided application Y/98/20/PL."

YPC note that ADC's Drainage Engineer has requested that additional information is provided prior to any decision being made on this variation due to concerns relating to flooding of the Highway. YPC therefore object to this application until all technical concerns expressed by the ADC Engineer are fully addressed."

Our Engineers are now in agreement with the proposals following receipt of an amended plan (see attached plan and separate advice from Engineers) and I therefore write to ask whether the Parish is now able to withdraw their objection?

I don't know if it is possible to provide a response before the 8th of December? But if you are able to do so, it will save me from having to start writing a Committee report.

Kind Regards

Simon J Davis MRTPI
