Mr West,

Please find attached the site history as requested.

We no longer hold a coloured copy of the photograph.

Many of the applications are on microfiche, so if when you search the applications, only the decision notice appears, it means the plans are on microfiche. Unfortunately, at this time the microfiche is unavailable as the offices are closed to the public and staff. We are unsure to when the offices will reopen to the public and staff.

If you have any questions, please let me know.

Thank you
Mrs Johnson

Dear Sirs

I am after a copy of a photo that is attached to planning application EG/42/06 Trebarwith Cottage. It is shown online in black and white but I would like to see a colour copy. I'm also interested in any pre 1980 application as well which may show the existing site layout .

I purchased the property in September 2018 and I'm trying to understand the previous planning history .

Your help would be much appreciated

regards

Tom West
