Subject: Bonhams Field, Yapton - Planning Application for the erection of 75 Dwellings (Planning, Design & Access Statement)

Dear Arun,

We have submitted a full planning application for the erection of 75 dwellings with associated parking, public open space and creation of new vehicular access. This was done electronically via the Planning Portal today, please see reference PP-09071633 for the associated documents.

As indicated on the application form, the Planning, Design and Access Statement would be submitted separately. This document is attached to this email as part of the submission. It is in two parts due to file size, but it is hoped it can be uploaded directly to the file when validated.

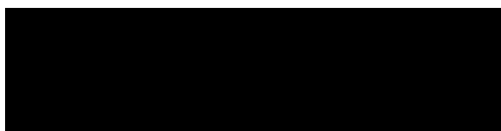

If you have any questions please let me know by using this email address or by calling my mobile on 07375 490164.

Kind regards, Natalie.
