Dear Tom,

I have not yet had comments from our Conservation Officer. He is aware of the need to provide these as I mentioned it to him before I went on leave. Please also note that when his comments are received they will go on our website. I don't have any current requests for further information but this is dependant on the Conservation Officer response.

Kind Regards

Dear Simon, I hope you had a nice break last week.

Further to the email below, please could you confirm whether you have all the information you need to determine the above DOCs? Could you also kindly let me know whether you have received a response from the Conservation Officer on DOCs 4 and 5?

I would be very grateful if you could confirm the above to me today. I tried calling this morning but could not get through to you, however I acknowledge that you are busy having come back from annual leave today.

Kind regards,
