Subject: Y/9/25/DOC

Fleurie Nursery Lake Lane Barnham PO22 0AL.

I have reviewed this application with regards to Approval of details reserved by condition imposed under reference Y/26/24/PL relating to condition number 10 - Biodiversity Enhancement Layout.

The LEMP is fine with regards to the biodiversity enhancement and fencing.

I do have a query regarding lighting as this is part of the condition wording. Is there any lighting being installed as part of this development?

If the detail of lighting could be confirmed I can then make a recommendation on this application.
